

Antidepressants		
Agomelatine	Duloxetine	Paroxetine
Amitriptyline	Escitalopram	Sertraline
Bupropion	Fluoxetine	Trazodone*
Citalopram	Fluvoxamine	Trimipramine
Clomipramine	Imipramine	Venlafaxine
Desipramine	Mianserin	Vortioxetine
Desvenlafaxine	Mirtazapine	
Doxepin	Nortriptyline	
Antipsychotics		
Aripiprazole	Olanzapine	Risperidone
Clozapine	Paliperidone	Thioridazine
Haloperidol	Perphenazine	Zuclopenthixol
lloperidone*	Pimozide	Brexipiprazole*
Lurasidone*	Quetiapine	
Anxiolytics / Hypnotics		
Alprazolam*	Clobazam	Eszopiclone*
Buspirone*	Lorazepam	Zolpidem*
Anticonvulsants & mood stabilizers		
Carbamazepine	Lithium**	Topiramate
Clonazepam	Oxcarbazepine	Valproic acid
Eslicarbazepine	Phenytoin	Vigabatrin
Levetiracetam	Phenobarbital	Zonisamide*
Lamotrigine		
Other drugs		
Atomoxetine	Methylphenidate	Naltrexone
Methadone	Naloxone	Amphetamines*
Lisdexamfetamine		

Antidepressants		
Agomelatine	Duloxetine	Paroxetine
Amitriptyline	Escitalopram	Sertraline
Bupropion	Fluoxetine	Trazodone*
Citalopram	Fluvoxamine	Trimipramine
Clomipramine	Imipramine	Venlafaxine
Desipramine	Mianserin	Vortioxetine
